SVC 195

**PERFORMANCE OF A RUNABOUT • CONVENIENCE OF A CABIN CRUISER •  
EVERYTHING A COMPACT, PRACTICAL DAY CRUISER SHOULD BE.**

Stingray's new SVC-195 gives you the performance and weight of a runabout PLUS the convenience of a cabin cruiser.

Shelter from a quick shower. Room to store gear. Privacy to change clothes. A place to grab a quick nap.

Stingray's quick planing deep V-Hull design gives you the performance of a big water boat. However, it is easy to trailer. The Stingray SVC195 is a very smart buy. Standard equipment includes: top with storage boot • adjustable side window vents • wide, 20", adjustable positive sealing translucent forward deck hatch • full wrap-around bow and stern rail • three (3) teak step aluminum boarding ladder • porta-potti • cabin bow cushions, custom made of mildew resistant materials • Teleflex Safe-T Mechanical steering system • interior cabin lights • stylized tinted cabin windows • twenty-two (22) oz. marine grade mildew resistant carpet • bilge pump • automatic bilge blower and custom ventilation system • tinted, tempered safety glass windshield • wide louvered bi-fold teak cabin door • teak interior trim • two (2) back-to-back sleeper lounge seats • rear jump seats • deluxe single lever shift and throttle control with trim and tilt switch in the control handle • full instrumentation, including trim and tilt gauge and speedometer • stainless steel, center mounted, ski eye • four (4) loop teak deck rail.

**Optional Accessories:** side and aft curtains; Rotacast chair w/removable cushions; vinyl floor; forty-eight (48) quart Igloo cooler with color-coordinated upholstered seat lid; custom mooring cover.

### SV 175 SERIES --- MORE BOAT FOR YOUR MONEY!

Stingray's SV 175 Series offers a surprising amount of usable interior space for a boat of its size. The bow compartments in both the open and closed bow models are fully accessible, allowing just about every square inch of interior hull to be utilized. Stingray's 17" deep-vee hull is not only great for skiing, fishing and family cruising, it's economical to operate. Quick and responsive to 4 cylinder sterndrive power, and economical mid-range outboard power. You will be happy you chose a Stingray.

Standard equipment includes: • Stern Rail • Full wrap around bow rail • Top with storage boot • 22 oz. Marine grade, mildew resistant carpet • back-to-back sleeper/lounge seats • (2) Rear jump seats • Teak step pads • tinted, tempered safety glass walk-through windshield • Lockable glove box • Teleflex Safe-T-Steering system. (meets BIA requirements).

Additional standard equipment on all stern drive powered SVB 175 open bow and SVC 175 close bow models: • Bilge Pump • Bilge Blower with custom ventilation system • Horn • Deluxe single lever shift and throttle control, with trim and tilt switch in the control handle • Full instrumentation, including trim and tilt gauge and speedometer • Center mounted, stainless steel ski eye • Fully upholstered bow, with wrap around back cushions • hinged bow seats with carpeted storage and drop in storage trays (SVB model) • Lockable Teak storage area door (SVC models).

Standard equipment SVB 175 outboard models: Bow rail • (2) sleeper/Lounge back-to-back seats • 22 oz. Marine grade mildew resistant carpet • Top with storage boot • U. S. Coast Guard approved navigation lights • Teleflex Safe-T Steering system • Stern jump seats • Stainless Steel screws used throughout in construction.

**Optional Accessories** (All SV 175 Models): Vinyl Floor; Rotacast chairs with removable cushions; gunwale mounted rod holders; (4) Rod Ready Rack; 48 qt. Igloo Cooler with color coordinated, upholstered seat lid; custom mooring cover; side and aft curtain package.
