

Stingray®

WHEN
QUALITY
COUNTS

QUICK AS A RUNABOUT WITH CABIN CRUISER CONVENIENCE.

Here's a high performance light-weight with room to spare. Extra comfort and value is in the design, so you'll enjoy every minute on the water. Interior space is well-organized for plenty of storage and all-day fun and relaxation. Stingray's quick planing Semi-V hull makes the SV-195 stable and easy-to-handle in both fresh and salt waters. And, when you trailer yours home, you'll see that it rides just as well on the road.

**POWER TO SKI.
ROOM TO SPARE.**

First in its class for on-the-water performance, the SV-175 Series utilizes every inch of interior hull space. The bow compartment offers a bonus of usable interior space in both closed and open bow models. Its 17° Semi-V-hull makes it quick to respond to 4-cylinder sterndrive power and economical midrange outboard power. This sporty performer is an all around favorite for all day fun!
