SVC-195 Super Sport SERIES

SVC-195

AWARD WINNING

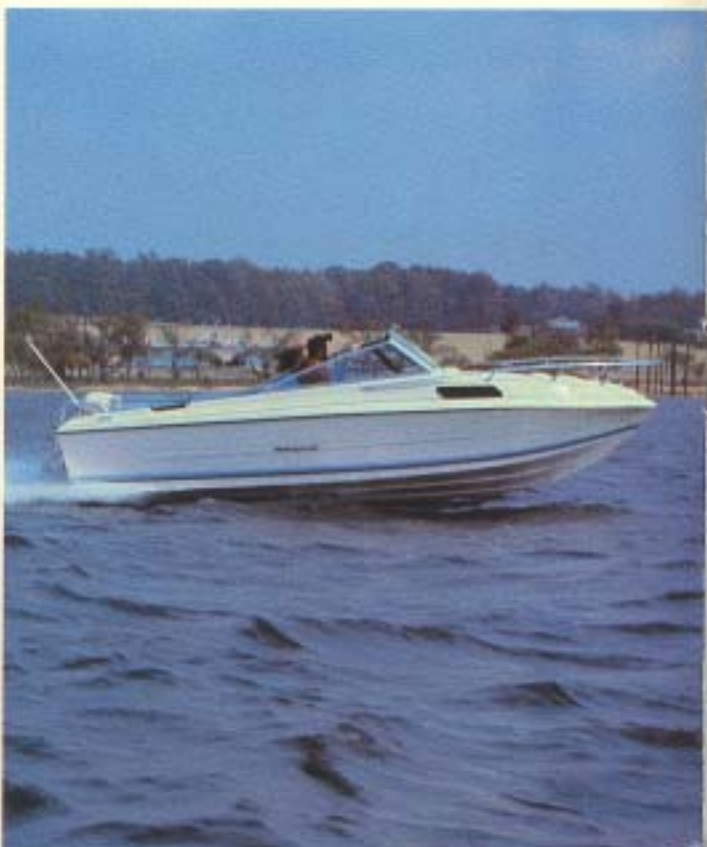

ECONOMICAL

PERFORMER

Stringray's SVC-195 was the recipient of Power Boat Magazine's *Product Excellence Award* for *Best Dollar Value* in 1982. After testing, Power Boat Magazine wrote "Even with the Merc. four-banger the SVC-195 still recorded a 50-MPH reading on top end. The boat's two biggest surprises were the better than expected handling characteristics in the slalom course and the phenomenal fuel economy numbers. Even the most conservative boater would be ecstatic with approximately 6 MPG in the 30 MPH range."

Specifications

Gunwale length:	19'7"
Center length:	18'7"
Beam:	8'4"
Max. horsepower:	185
Approx. weight:	2100
Fuel capacity:	19
Transom angle:	13°
Deadrise:	17°

SVB-190 and SVC-190 Super Sport SERIES

SVB-190

TRADITIONAL

COMFORTABLE

RELIABLE

The **SV-190** is a perfect blend of comfort and performance. Her hull is traditional deep vee, but with the *Stingray* high-performance touch. So the boat is smooth riding and steady even in choppy water. She'll turn on a dime, without plowing or skidding. Styling is also traditional with high freeboard, classic lines, luxurious interior and a new raked walk-through windshield. The performance of both the **SVB-190** bowrider and the **SVC-190** closed bow is comfortable and steady without being sluggish. Easy to pilot, but never dull. The kind of performance that has become a tradition from *Stingray*.

Specifications

Gunwale length:	19'7"
Center length:	18'7"
Beam:	8'4"
Max. horsepower:	185
Approx. weight:	1950
Fuel capacity:	19
Transom angle:	13°
Deadrise:	17°

Shown with optional fishing interior, available in all models.

SVC-190

SVB-175 and SVC-175 Super Sport SERIES

SVB-175

GOOD-LOOKING

WELL-BUILT

MEDIUM-SIZED

A good looking, well built, medium sized boat is harder to find than you might think, unless you're looking at Stingray's **SV-175** series. The looks speak for themselves with performance you've got to feel. Since this is a Stingray you know she'll be smooth riding, easy handling, predictable and secure. The **SVB-175** is our I/O bowrider. The **SVC-175** is our closed bow model. The **SVB-170** is our outboard bowrider. If a medium sized runabout is what you're looking for, you've looked long enough.

Specifications

Gunwale length:	18'3"
Center length:	17'3"
Beam:	84"
Max. Horsepower:	185
Approx. weight:	1850
Fuel capacity:	19
Transom angle:	13°
Deadrise:	17°

SVB 175 O/B

SVC 175

SVB 175 O/B

SVB-160 and SVB-165 *Super Sport* SERIES

SVB-165

BIG, BOLD

BEAUTIFUL

BRAND NEW

A big, bold, high-performance bowrider, served up just the way you like it, on a supersmooth deep-vee hull, lovingly crafted of hand-laid fiberglass. With a deep bow seating compartment and fold-down back-to-back lounge seats in the cockpit. So there's plenty of room for skis, fishing gear and the whole family. **SVB-165** offers smooth, quiet stern drive power and standard features you won't find on most boats. Like stern storage compartments, stainless steel bow rails, ice chest, command console and a boarding ladder. **SVB-160** gives you your choice of outboard power to 115 horses. Both give you everything you could want in a big deep-vee runabout.

Specifications

Gunwale length:	16'9"
Center length:	16'
Beam:	82"
Max. I/O-HP:	140
Approx. weight:	1750
Fuel capacity:	18
Transom angle:	13°
Deadrise:	19°

SVB 165, 175, 190 Rally Sport SERIES

SVB 190 RS

ROOMY, SAFE

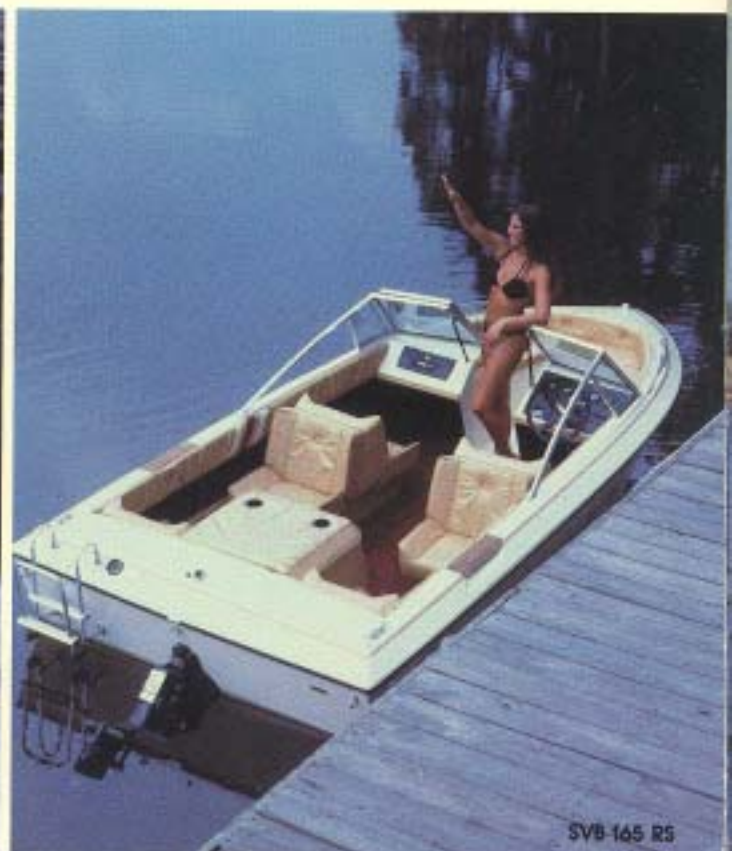

FUN-TO-DRIVE

AFFORDABLE

It doesn't take long to find out what that new boat of yours is made of. One good run around the lake will tell you whether or not you've got Stingray performance and stability. One good tow with a couple of full sized skiers will tell you whether your boat has plenty of power and an efficient hull design. It only takes a day or two cruising with family and friends to let you know your boat has the features you need. Fold-down lounge seats, safe-T-steering, built-in fuel system, and a stern boarding ladder. And it only takes one look to tell you when a boat is really looking good. So take a good long look at all three of these economically priced boats. The **SVB-190**, **SVB-175**, or the **SVB-165**. Either way, you're really looking good with Stingray's new economical Rally Series. Specifications on the Rally Series are the same as the Super Sport Series.
